### Waiver, Assumption of Risk and Agreement to Hold Harmless

I understand that attendance at a dog obedience class is not without risk to myself, members of my family or guests who may attend, or my dog because some of the dogs to which I (we) will be exposed may be difficult to control and may be the cause of injury even when handled with the greatest of care.

In consideration of, and as an inducement to, the acceptance of my registration for classes, I agree to indemnify and hold harmless, and hereby waive and release the school, its employees, owners or agents from any and all liability of any nature, for injury or damage which I, my family or guests or my dog may suffer, including specifically, but without limitation to, any injury or damage resulting from the action of any dog including my own, and I expressly assume the risk of any such damage or injury while attending any training sessions or other function of the school, or while on the school grounds or in the building.

I also understand that the degree to which a dog is successfully trained is a function of the interest, commitment, and cooperation of the owner. I acknowledge and agree that there is no guarantee that my dog will achieve the desired level of training, despite the best efforts of the instructor. Please have all members of your family who will be attending class sign this release.
